

National **Technical**
Honor Society

November 11, 2025

Dear Admissions Department:

Francisco Reyes has demonstrated a commitment to excellence in Career & Technical Education (CTE).

Members of the National Technical Honor Society have the opportunity to develop the skills and knowledge required by today's quality-driven workforce.

As a member of the National Technical Honor Society at Oakland Schools Technical Campus Northeast, Pontiac MI, Francisco Reyes has had the ability to be engaged in career development, leadership development, and service activities to help prepare for ongoing education and skill development.

We encourage you reach out to their CTE instructor at Oakland Schools Technical Campus Northeast, Pontiac MI if you would like to learn more about their specific technical capabilities and skill sets.

We hope that you will consider Francisco Reyes as an eligible candidate for admission.

Sincerely,

National Technical Honor Society
Membership Department
